

INDEX

of main articles for researchers –
The Light, the paper of truth-record,
Issues 1 to 36 inclusive, 2020–2023

Note for researchers: The following index is a comprehensive, invaluable resource for those truther researchers wishing to use and mine this unique newspaper of truth-record, *The Light*, to investigate the real power, forces, abuses, and hopes for the future that are at play in the world at the present time. Predominantly, the index has been constructed via main article titles, and covers the first three years of the paper. The index entries refer to issue numbers; and authors' names have not been indexed. All issues are available free online as downloadable pdfs – see <https://thelightpaper.co.uk/archive>.
